

PARCC Meeting Minutes

6/23/2020

1:00-3:00pm

Virtual

- I. Updates:
 - A. Tom- Virtual Townhall occurring.
 - B. Kelly- Still taking MAT program referrals. Concern over increased use of suboxone.
 - C. Stephanie- Noticing higher relapse rates.
 - D. Monica- Currently doing court via zoom, hoping to restart in July. Continued drug testing through COVID.
 - E. Melissa- Jail MAT is back up and running. Lori King is the new Behavioral Health Specialist
 - F. Kory- Looking into options to open up Seasons Bridge.
 - G. LeSean- Satori House will be conducting stakeholder meetings for new grant.
 - H. Susan- Columbia County COVID data, 69 positive cases, 53 recovered, 1 death.
 - I. Kristin- Experiencing a lower referral rate.
 - J. Dave- Same call volume. Utilizing interdiction dollars.
 - K. Diana- Large focus on mental and physical health.
 - L. Nancy- her role has moved to the public safety committee.
- II. Grant Updates:
 - A. New tobacco grant starting in July.
 - B. PFS grant ending the end of September.
- III. MAT Program:
 - A. Jail was closed for a period of time due to COVID-19 but is now open.
 1. Program changes due to shut down- Lab work and urine samples are done at the jail and brought to a lab (reducing pt contact with hospitals).
 2. Injections are still being done within the jail.
 - B. 21 open MAT cases, 1 pending NNAI
 - C. Referrals lowered therefore, trying to utilize PR.
 - D. Referrals will be followed up within 24/hr on a business day.
- IV. Other information presented:
 - A. More people are on Suboxone than vivitrol.
 - B. Illegal sales of Suboxone have been seen.
 - C. Illicit sales of Gabapentin.
- V. ED2Recovery Grant (Satori House):
 - A. Peer coaches available 24/7 for drug use response in Sauk and Columbia County. Currently they have 3 coaches and are looking for one more. Their goal is to break down treatment barriers.
 - B. June 25th from 2-3pm is their stakeholder meeting via Zoom.

VI. Theatre Ad:

- A. Video notes- No face masks, take out pills in hand (triggering), and don't limit to prescription pills.

VII. Open Discussion:

A. How to help with morale

1. Appreciation posts/gifts
2. CASA is still alive and Daryl will send training information.
3. Seeing a Methamphetamine increase since the start of the year.
4. Heroin use is still prevalent.
5. Increase in Cocaine being seen as well.
6. Hoping to get more case management through SOAR Grant to treat other substances (Meliss and Lori)

Meeting Adjourn at 2:42pm
