

# PARCC Meeting Minutes

Tuesday, January 28, 2020

1:00pm - 3:00pm

District Office -Board Room

## 1. Recognition

- a. Chief Manthey is retiring, he will be missed! He has been an important member of our group for the last 5 years. PARCC is donating \$250 to the Ballistic Shield initiative.
- b. Lindsay Patterson has been with us for the last two years and she is moving on to a job at Sauk County Public Health. Tomorrow is Lindsay's last day and she will be missed! Good luck to Lindsay!

## 2. Data Discussion

- a. We split into groups at our December meeting to review several different data sets and we are going to continue to look at our top areas of concern today.

### b. Tobacco/Vaping

- i. 2 teen court cases
- ii. 4 sales to minors (WI WINS checks) All IDs were checked and still sold
- iii. Lodi - 3 underage citations
- iv. Poynette - 1 underage citation
- v. Columbus - 4 underage citations
- vi. Portage - 39 underage citations (28 tobacco possession/7 on school grounds/4 furnishing tobacco to minors.)
- vii. County - 6 underage citations
- viii. YRBS: 30 day use - 10% MS Students & 21% HS students
  1. Explosion in vaping
  2. Odorless, hard to detect
  3. Easily accessible
  4. Increase in 8th grade (1:5)
  5. HS doubled between 10th and 11th grades
  6. Half of the people have tried vaping at the HS level
  7. No gender difference

### c. Marijuana

- i. Starting before the age of 13 showed an increase(?)
- ii. Higher rates in students with trauma/abuse in their history
- iii. Higher numbers in students with special needs
- iv. A high percent that have tried it, but less use in the last 30 day data.
- v. Mostly using outside of school
- vi. Poor, minority also high
- vii. 11% at the HS level: 5% at the MS level
- viii. Same use in males and females
- ix. Lodi - 26 possession citations, 6 criminal arrests (2 juvenile/24 adult)
- x. Poynette - 23 possession citations
- xi. Columbus - 32 THC/paraphernalia citations
- xii. County - 70 citations for THC possession (ordinance citations, not criminal)

xiii. YRBS Data: 30 day use: MS = 4% and HS = 15%

d. Alcohol

- i. 40% of 12th graders experimenting with alcohol, 18% of 8th graders
- ii. Hispanic youth were starting to drink earlier than other populations
- iii. Higher rate of use for females than males
- iv. Lower grades for those reporting drinking
- v. Students who feel like they don't belong and kids who are experiencing food insecurity had higher rates of use.
- vi. Kids no longer receiving special ed services had slightly higher rates of use.
- vii. Compliance checks: 13 sales to minors (IDs checked in 11 of the sales)
- viii. Portage - 14 underage drinking
- ix. County - 56 underage drinking
- x. Poynette - 2 underage drinking
- xi. Columbus - 3 underage drinking
- xii. YRBS: 13% of MS students and 31% of HS students
- xiii. OWI Concerns:
  1. Lodi - 20 (13 for alcohol)
  2. Poynette - 43
  3. Columbus - 43
  4. Portage - 91
  5. County - 259

e. Opioid Data

- i. MS kids tried something other than marijuana:
  1. 2% of HS students tried opiates
  2. 2% of students have tried meth
  3. No data for 9th or 10th graders
  4. More female use than male use
  5. 7% in hispanic population
  6. Lodi - 4 ODs (2 fatal)
  7. Poynette - 1 OD
  8. Columbus - 2 ODs (no fatal)
  9. Porage - 24 OD (2 fatal)
  10. County - 33 ODs (6 fatal)
  11. YRBS Data: Have misused an over the counter or prescription pain medication:  
9% at MS and 12% at HS.

f. Other Data Sources

- i. Tobacco coalition
- ii. Community group
- iii. Focus groups
- iv. Hospital admissions
- v. Law enforcement data
- vi. Teen court
- vii. Pharmacy database
- viii. ACC data
- ix. Wisconsin Wins

3. Drug Endangered Children (DEC) Presentation (Dr. Jill)

- a. Goal is to reduce the number of children that are exposed to drugs/drug related situations.
- b. Schools, parents, community leaders, medical staff, law enforcement and DA office partnership
- c. We want to expand/continue the work of this group. Focus is on prevention!
- d. Handle with Care protocol with police (Does this happen at the county and local levels?)
- e. Mandatory reporting, making sure we are identifying drug endangered children and reporting it to law enforcement.
- f. Charges related to both drugs and neglect via the DAs office.
- g. Cheat sheet for mandatory reporting is being developed by the DEC group.
- h. Goal is to put the kids first!
- i. Department of Justice has adopted DEC in WI.
- j. National DEC website would have more information.
- k. Could DEC become a sub-committee of the PARCC group? The Executive Committee is supportive of this idea moving forward.
- l. Committee meetings will need to happen outside of the regular monthly PARCC meeting and then reports can be made to the whole group.

4. Tobacco Prevention and Control Program Grant

- a. Dane County Prevention group is just Dane County, Columbia County is no longer included in this project, which is why we need to apply for a grant specifically for Columbia County.

5. Opioid Grant

- a. We are also planning to write a grant related to an opioid strategy.
- b. Innovative approaches and practices would be the strategy we would focus on.
- c. Ideas for areas to focus on:
  - i. Health literacy (How to read a prescription bottle etc.)
  - ii. Trauma informed care - focus on schools
  - iii. Narcan - Available in school districts
- d. "Live It" - Evidence based program offered by Prairie Ridge Hospital.
  - i. Chronic disease
  - ii. Pain medication
  - iii. Prescription opioid use

6. Updates

- a. Tom Drury - Taken away pre-authorizations for drug assisted treatment. This is a huge change and improvement for individuals who need medication assisted treatment.
  - i. A team of people presented on resources available in the county for folks dealing with mental health or substance abuse issues.
- b. Lindsay Patterson - Shared information regarding the new "Tobacco 21" legislation.
  - i. Tobacco 21 is the law of the land, it was passed federally.
  - ii. There is not a grandfather law nor an exemption for military personnel.
  - iii. There is no requirement from the federal level to update state laws, so that state laws have to match the federal law.
  - iv. Can we get a draft of an advocacy type note that we can send to our legislators?
- c. Chief Manthey - Thanks to Jake at Sitori house for all of his great work!
- d. Jake Niesen - Will be a trainer for administering Narcan, he has 700+ doses. Sitori House Recovery Incorporated, which will be recovery coaching for both Columbia and Sauk counties.
  - i. Send Jake and email if you, or your organization, needs Narcan.

- ii. How can we get Narcan into Kwik Trips and McDonalds etc.? Often overdoses happen in these locations.
- e. Nancy Long - Congratulations to graduates of the drug treatment court!
- f. MAT Updates
  - i. Shared data from the MAT program
- g. Daniel Ruland - Alliance for WI Youth - Coalition members and youth both attend CADCA event together. Goal is for it to be a fun experience for students, so that students have ideas to take back to their schools.
- h. Heather Woods - Clean Slate in Madison. Another resource for MAT, they have same day appointments and walk-in appointments. They treat opioid and alcohol addictions.
- i. Monica Neumann - Drug court coordinator, last night 2 drug court graduates were celebrated. Great turnout, both participants have been clean for 3 years!
  - i. Thank Judge Hepler for starting this program!
- j. Melissa Schneider - Vivitrol connection for people who are currently in jail, warm hand off to a MAT program. Also doing data collection for the programs for the SOAR grant. Also plan to do some outreach in our local communities.
- k. Emily Mall - New therapist with Seasons Counseling, she has a lot of space for new clients!
- l. Monica Sundahl - From Tammy Baldwin's office
- m. David Clark, Detective with Sheriff's Office, on the DEC Committee
- n. Emily Dilley - Prairie Ridge Health - New name for Columbus Community Hospital
  - i. Project Clean and Opioid Task Force are part of their initiatives related to the opioid epidemic.
  - ii. See website for links to other resources.
  - iii. Dr. Sarda is a physician at the Columbus Hospital who has done some vaping research, Emily will send this information to Paula.
  - iv. Learning how to write grants, 3 part series in the form of webinars through the WI Health Cooperative in Sauk.
- o. Keith Klafke - Portage PD - We are committed to this group!
- p. Chuck Pursell - Prevention is our focus! We are committed to this group and will continue to be!
- q. Kory Morgan - Check out the PARCC website and let Kory know of suggestions for changes/improvement.
  - i. Would like more information about the Kinship group that is starting up in Portage. (Amanda Riek is also part of this group!)
  - ii. Send upcoming events to Kory if you want them put on Facebook, or other sites!
- r. Paula Enger - AWY Boot Camp coming up on February 10th (10am - 3pm), if others want to participate, please contact Paula!
  - i. March 25th and 26th - Power of Prevention Conference - Contact Paula if you would like to attend, but please sign yourself up for the conference.
