- d. Tom Engels - MATRS report was passed out to group; attention to WI Act 34
 - i. <https://docs.legis.wisconsin.gov/2017/related/lcactmemo/act034>
- e. Clint Starks - welcome to new position with Columbia County (Behavioral Health Division Administrator); Medicaid expansion for better reimbursement rates to mental health providers, beginning in early 2018
 - i. <http://www.wsaw.com/content/news/Gov-Walker-DHS-announce-17M-452782373.html>
- f. Ken Manthey - DRE officer is putting together presentation; seeing an increased use of crack cocaine in Portage
- g. Darrel Kuhl - new drug program for middle & high school aged students; \$3,000 available for drug education/staff training (for students in higher grades)
- h. Stacey Davenport - passed out handout to group (attached)
- i. Nancy Long - Col Co joined lawsuit against Big Pharma

- j. Connie Champion - Graduating 4 individuals soon; Josh Champion now working for Season's Bridge, available to have referrals sent his way
 - k. Heather Kierzke - currently has 2 in Drug Court, with more in the works
 - l. Shannon Robinson - Season's Bridge facility now open in Pardeeville - 4 bed facility for ADULTS; has started men's mental health/substance abuse support group; ethics & boundaries training in the works as well
 - m. Sue Bradley - CASA (Court Appointed Special Advocates) group now going again, looking for more volunteers/highly trained to work weekly w/ children to make sure the court orders are being followed
 - n. Susan Lorenz - received the 2 year Fostering Futures grant; learning about TIC/court implementation team
 - o. Lieah Wilder - Family Health, La Clinica has a Behavioral Health dept getting going; located in Wautoma, but also serves parts of Col Co; services offered to anyone/on sliding-fee scale
 - p. Tom Drury - 11.27 PARCC presentation for Kiwanis group in Wis Dells was well received; attended Senior Expo @ Ho Chunk for PARCC, did not find this event worth PARCC's time
 - q. Tawsif Anam - Dr. Chris Kirkpatrick's Whistleblower Protection Bill signed by Pres. Trump; new office open on East Side of Madison (Ron Johnson office)
 - i. <https://www.govtrack.us/congress/bills/115/s585/summary>
 - r. Ryan Sheahan - in 2017, performed 55 tobacco compliance checks w/ 6 sales to minors; Senate Bill 307 currently in front of assembly, to place all tobacco products behind the counter
 - i. <https://docs.legis.wisconsin.gov/2017/related/proposals/sb307>
2. No minutes from last meeting/none to approve
3. Mission & Vision Statements
- a. Mission Statement changed (formally approved by group) from/to:
 - i. To empower Columbia County communities to recognize...
 - ii. To collaborate with Columbia County communities to recognize their role in responding to and preventing substance abuse.
 - b. Vision Statement proposals:
 - i. Healthy Columbia County
 - 1. Suggested that this was too broad
 - ii. Reducing the societal consequences of substance abuse
 - 1. Discussion that Vision Statement aims for change in 10-20 years, rather than shorter period of time
 - 2. Group ideas for other Vision Statements discussed
 - iii. **Please email any ideas or proposals to Paula Enger by December 10th**
4. Review Prevention & Response Strategies from last meeting
- a. Prevention strategies added:
 - i. Teacher training

- ii. Guidelines for provider prescribing
- b. Response/Treatment strategies added:
 - i. Way to pay for inpatient treatment
 - ii. Services for currently incarcerated & about to be released individuals, support for these individuals
- 5. Executive Committee Needed
 - a. Proposed 5 person Executive Committee to make staffing & financial decisions for PARCC; make sure that PARCC is abiding by group by-laws
 - i. Current volunteers:
 - 1. Tom Drury
 - 2. Scott Klicko
 - 3. Amanda Riek
 - ii. Still need:
 - 1. 1 member from DHHS
 - 2. 1 member from Fiscal Agent (Lodi)
- 6. Prevention Committee Notes
 - a. Two main strategies to focus on:
 - i. Early education & resources to young parents in regards to ACEs (county-wide); focus on youth already aware that have ACEs
 - 1. Contacting school districts to see what (if anything) is currently being done
 - 2. Deciding on school for Pilot Group
 - ii. Teacher education & training regarding Trauma Informed Care (TIC); how PARCC may be able to help support this
 - 1. Meeting w/ TIC trainer for what these steps may be
- 7. Response/Treatment Committee Notes
 - a. Three main strategies to focus on:
 - i. Inpatient/sober living options - detox through 6 mos, for safety, support & stability
 - ii. Counseling - dually credentialed, mental health, AODA and family support
 - 1. Immediate, consistent, educated on MAT/ACES/Trauma, wrap around model
 - iii. Prescribers specialized in - MAT & MH medications (anxiety, depression, sleep, etc)
 - 1. PCPs/APNPs/PAs bearing the load - need psychiatrists to step up, expand MH APNP/PA options
 - b. Identify work groups for next meeting to tackle these needs.
- 8. Next Meeting: January 23rd, Location TBD. Meeting 1:00pm - 3:00 pm.
